

It's time for Trinity Summer Camp registration. In this packet you will find information about the classes offered this summer for children entering K4 through Eighth Grade. There are academic and enrichment classes with great instructors. Our academic classes are designed to review particular areas of core curriculum and prepare students for the upcoming year. Enrichment classes provide a variety of topics and activities for your child's enjoyment.

Students may sign up for any combination of academic or enrichment courses, as long as they are part of the appropriate grade levels. Students may sign up for one, two, three, or all four weeks. They may register for one or two classes each week.

Classes are open on a first come first serve basis. Class sizes are limited, so please register early. We will have early enrollment for Trinity students from now until April 21st. After that date, the program will be open to the general public for registration.
